NWCG Fire Training and Incident Qualifications

Employee Name:

IFPM Position: Helicopter Manager

NWCG Incident Management Qualifications

Primary Core Requirement: Helibase Manager, Type 2 (HEB2)

Secondary Core Requirement: Incident Commander, Type 4 (ICT 4)

The purpose of this form is to help identify required and developmental training for the NWCG Incident Management Qualification Standards for this position. The required training includes the IFPM "Additional Required Training" and the required training for the Incident Command Positions (ICS) and/or the Wildland Fire Positions based on the 2009 Wildland Fire Qualification System Guide (PMS 310-1). **Employees should refer to individual agency requirements.**
