SUPPLEMENTARY INFORMATION: Recently, two members of the Joint Fire
Science Program Stakeholder Advisory Group have resigned. We are
seeking to fill vacancies left by these two committee members: one who
represented an Indian Tribe, and one who represented a non-profit
wildland management research group. In the interest of maintaining
balance on the Joint Fire Science Program Stakeholder Advisory Group,
we are specifically seeking to replace those two members with persons
from the same types of groups. However, we will consider all
nominations we receive from all types of stakeholders.
