

## ABBREVIATIONS

The abbreviations shown below are for the Unit of Issue (U/I). This is how cache items are issued. This is also how items should be ordered from the caches. Many of the items at MT-BFK are stocked in standard packs. Standard packs may or may not be the same as the unit of issue. If possible, order quantities equivalent to the standard pack.

Example: NFES 0030 AA Batteries come in Unit of Issue of PG, if you want 10 boxes, you would order 120 PG, because the Standard Pack is 24EA/PG = 12 PG/ per BX.
