1. Exclusive Use Helicopter Position Footnotes:
2. All Exclusive Use Fire Helicopter positions require an arduous fitness rating.
3. Minimum experience and qualifications required prior to performing in the Exclusive Use position. Task books must be completed.
4. Minimum training required to perform in the position. Each level must have met the training requirements of the previous level(s).

5. Additional training, which augments the current position or prepares the individual for advancement.
6. Additional qualifications, which augment the current position or prepares the individual for advancement.
7. A "season" is continuous employment on a full time Wildland fire crew for a period of 90 days or more. For the position of FHCM experience as an Emergency Fire Fighter which correlates to a 90 day season may be accepted by the FMO with documentation of the experience.
8. After completing S-372 must attend the Interagency Helicopter Manager Workshop (RT-372) once every three years.
9. Must receive S-271 RT-271 refresher or serve as S-271 instructor once every three years.

Note: Exceptions to the above position standards may be granted, on a case-by-case basis, by the BIA National Aviation Office.

Note: Some positions may be designated as COR/Alternate-COR. If so, see individual Agency COR training & currency requirements.

Note: FHCS or HMGB are fully qualified to perform all the duties associated with Resource Helicopter Manager.
