

National Wildfire Coordinating Group

Communicator's Guide for Wildland Fire Management: Fire Education, Prevention, and Mitigation Practices

1. Introduction and Organization
2. Wildland Fire Overview
 - A. Introduction
 - B. Ecological Aspects of Wildland Fire
 - i. Fire Triangle
 - ii. Fire Behavior
 - iii. The Complexity of the Fire Ecology Message
 - C. Defining Fire Regimes
 - i. Fire Regime Condition Class
 - D. Fire Dependent Ecosystems of the United States
 - i. Impact on Animals
 - ii. Overview of Fire Dependent Ecosystems
 1. Midwest Tallgrass Prairie
 2. Southwestern California Chaparral
 3. Ponderosa Pine in the Southwest and Intermountain West
 4. Lodgepole Pine Communities of the Rocky Mountains
 5. Southern Pine Communities
 6. Jack Pine Communities of the Great Lakes Region
 7. Alaska's Boreal Forest and Tundra
 8. Atlantic Coastal Pine Barrens
 9. Eastern Deciduous Forests
 - E. Fire Effects
3. Fire Management
 - A. Wildland Fire Management – Agencies and their Roles
 - i. National Interagency Fire Center (NIFC)
 - ii. National Wildfire Coordinating Group (NWCG)
 - B. History of Humans and Fire
 - i. Historical Perspective
 - ii. Today's Societal Influence
 - C. Public Perceptions and Attitudes Toward Wildland Fire
 - i. Motivation and Education
4. Communication Planning and Strategy
 - A. Introduction
 - i. What Communication Can/Cannot Do
 - ii. Perspective from Wildland Fire Communicators
 - iii. Surround Sound Strategy
 - B. Best Practices: Communication Planning
 - i. Situation Analysis
 - ii. Objectives
 - iii. Audiences
 - iv. Messages
 - v. Strategies
 - vi. Tactics
 - vii. Action Plan/Timeline
 - viii. Evaluation
 - ix. Budget

- C. Community Outreach
 - i. Public Presentations: The 4 C's of Persuasive Communication
- D. Working with News Media
 - i. General Media Relations Tips
 - ii. News Writing
 - iii. News Conference
 - iv. Event Announcement
 - v. Inviting Media to an Event
 - vi. Event Publicity
 - vii. Photos
 - viii. Media Days
 - ix. Tips for Calling Media
 - x. What to Say When Calling Media
 - xi. Arranging an Interview
 - xii. Interview Tips
 - xiii. What to do When a Media Representative Calls YOU
- E. Special Events
 - i. Event Planning
 - ii. Logistics
 - iii. Special Event Team
 - iv. Sample Timeline for Events
- F. Youth Education Programs
 - i. Youth Organizations

5. Communication Materials

- A. Introduction
- B. Multimedia
 - i. Web Sites, Blogs
 - ii. E-Newsletters
 - iii. Interactive Compact Disks, DVDs
 - iv. Movies and Videos
- C. Print Materials
 - i. Fact sheets
 - ii. Brochures
 - iii. Brochure Inserts
 - iv. Newsletters/Magazines
 - v. Promotional Materials
- D. Exhibits and Signage
 - i. Exhibits
 - ii. Temporary Signage
 - iii. Outdoor Signs
- E. Public Service Announcements
- F. Advertising
 - i. Billboards

6. Cooperative Programs

- A. Introduction
- B. Wildfire Protection Cooperatives
- C. Corporate or Foundation Partnerships for Communicating Fire Messages

7. Fire Education

- A. Wildland Fire – A Tool for Stewardship
 - i. Fire Management
- B. Fire Education Messages

- i. Key Messages
 - ii. Key Messages with Supporting Points
- C. Risk and Conflict Communication
 - i. Wildland Fire Education Considerations
 - ii. Historical Perspective
 - iii. Current Perspective
 - iv. Reintroduction of Fire
 - v. Smoke and Air Quality
 - vi. Education
- D. Considerations for Wildland Fire Communication and Education
 - i. Wildland Fire Education Considerations
- E. Prescribed Fire Presentations
- F. Interpretive Programs

8. Fire Prevention

- A. Introduction
- B. Fire Prevention Messaging
- C. Wildfire Prevention Education
 - i. Internal Communication
 - ii. The Public Information Officer and Wildfire Prevention
 - iii. Public Awareness and Education
 - 1. Community Awareness
 - 2. Mass Media – Television
 - 3. Mass Media – Print/Radio
 - 4. Signing
 - 5. Fire Prevention High Visibility Public Contact
 - 6. Agency Printed Material
 - 7. Public Education – General
 - iv. Wildland Fire Prevention and Education Teams
 - 1. Purpose
 - 2. Organization and Ordering
 - v. Smokey Bear
 - 1. CFFP
 - 2. Program Components

9. Fire Mitigation

- A. WUI Overview
 - i. WUI Fire Concerns
 - ii. Who's Responsible for Addressing the Problem?
- B. WUI Messages
 - i. Community Considerations
- C. National Firewise Communities Program
 - i. Firewise Defined
 - ii. Resources for State Forestry Agencies
 - iii. Firewise Communities/USA
 - iv. Firewise Community Projects
- D. Community Wildfire Protection Plans
 - i. Communities and the WUI
 - ii. Role of Community Wildfire Protection Plans
 - iii. Benefits to Communities
- E. Fire Safe Councils. Firewise Councils and Boards
 - i. State Level Fire Safe Council
- F. Conducting a Local/Regional Firewise Workshop
 - i. Organizing a Firewise Workshop
 - ii. Firewise Communities Workshop Logistics

- G. Home Ignition Zone –Resident Communication
 - i. How Homes Ignite
 - ii. Landscape
 - iii. The Home Ignition Zone
 - iv. Construction

10. Resources

- A. Webliography
- B. Resources and Materials
- C. Recommended Reading
- D. Acronym Guide
- E. Glossary
 - i. NWCG Glossary
 - ii. Glossary of News Media Terms

11. Appendix

- A. Chapter 1- Introduction and Organization - Table of Contents (pdf version)
- B. Chapter 2- Wildland Fire Overview
 - i. Photos- Fire Regimes
 - ii. Background
 - 1. Atlantic Coastal Pine Barrens
 - 2. Fire Regime Condition Class Definitions
 - iii. Guides
 - 1. NWCG Fire Effects Guide
- C. Chapter 3- Fire Management
 - i. Social Science Fact Sheets
 - 1. Catching Attention
 - 2. Communication about Hazards
 - 3. Engaging Property Owners
 - 4. Golden Rule
 - 5. Laws
 - 6. Personal Responsibility
 - 7. Three Critical Topics
 - 8. Working Locally
- D. Chapter 4- Communication Planning and Strategy
 - i. Background
 - 1. A Study of Wildland Fire Communicators in the US
 - iii. Glossary of Media Terms
 - iv. Guides
 - 1. USFW Outreach Handbook
 - 2. Wildfire for Educators
 - 3. Sample Media Guide- VA Media Guide
 - vii. Sample Plan
 - 1. Arizona Communication Plan
 - 2. FPA Communication Plan
 - 3. North Carolina Fire Prevention Education Team Communication Plan
 - 4. New Mexico Communication Plan
 - 5. Oklahoma Communication Plan
 - 6. Yosemite National Park Smoke Strategy
- E. Chapter 5- Communication Materials
 - i. Guide
 - 1. Wildfire Prevention Sign and Poster Guide
 - ii. Sample Fact Sheets
 - 1. Controlling Invasive Species
 - 2. Facts About Wildland Fire Management
 - 3. Keeping Fire on Our Side

- F. Chapter 6- Cooperative Programs
 - i. Sample Partners
 - 1. SE Compact
 - 2. Southeastern States Compact Bylaws
 - 3. KDF-DBNF Cooperative Fire Agreement
 - ii. Case Study - Inside Fire Management Partnerships
- G. Chapter 7- Fire Education
 - i. Case Studies
 - 1. Northern Idaho Fuels Treatment
 - 2. Nebraska Prescribed Burning
 - 3. Oklahoma Prevention
 - 4. Washington Biomass Project
 - 5. Mescalero Project
 - ii. Messages
 - 1. NWCG Key Messages
 - 2. MTG Charter
 - 3. NWCG Memo
 - 4. WFEWT Memo
 - iii. Sample Fire Fact Sheets
 - iv. Sample Presentations - Role of Fire
 - 1. Core Slides
 - 2. Optional Inserts
 - 3. Sample PowerPoint - Kentucky Prescribed Fire
- H. Chapter 8- Fire Prevention
 - i. Fact Sheets
 - 1. Fire Safety
 - 2. Building a Campfire
 - 3. Putting Out a Campfire
 - 4. On a Dark and Stormy Night
 - 5. When a Wildfire Threatens Your Home
 - ii. Guides
 - 1. Industrial Operations
 - 2. National Interagency Mobilization Guide
 - 3. Wildfire Prevention Industrial Operations
 - iii. Handouts
