APPLICANT – PLEASE READ!

Severe penalties are provided for unofficial use of Government-owned or leased vehicles by 31 U.S.C. 1349, Adverse Personnel Actions, as follows:

“...Any officer or employee of the Government who willfully uses or authorizes the use of any Government-owned motor vehicle or aircraft, for other than official purposes or otherwise violates the provisions of this paragraph shall be suspended from duty by the head of the department concerned, without compensation, for not less than one month, and shall be suspended for a longer period or summarily removed from office if circumstances warrant.”

The term “official purposes” does not include the transportation of officers and employees between their domiciles and places of employment except in cases of officers and employees engaged in field work, the character of whose duties makes such transportation necessary and such transportation has been approved by officials authorized to do so.
