Memorandum

To: All New Employees
From: Human Resources Office
Subject: Unemployment Compensation Requirements

The Washington Office has advised us to inform all new employees about unemployment compensation entitlements. If you are currently receiving unemployment compensation your entitlement should stop the day before your effective date of hire. Entitlement does not extend to the date of your first pay check regardless of when the pay check is received. Filing for unemployment while you are employed constitutes a fraudulent claim which could lead to a \$1,000 fine or imprisonment for not more than 1 year, or both.

If you have questions regarding unemployment entitlements please contact the Human Resources Office at extension 5523.
