

**OFF ROAD DRIVING :30**

SUMMER TIME IS FUN TIME OUTDOORS! BUT PLEASE BE CAREFUL WHEN DRIVING.

WILDFIRES ARE DEADLY, AND THE EXTREME HEAT FROM YOUR VEHICLE EXHAUST CAN QUICKLY START A BLAZE. IT TAKES ONLY A FEW MOMENTS FOR A SINGLE SPARK TO CREATE A CATASTROPHIC WILDFIRE. WHEN ENJOYING THE OUTDOORS, PLEASE KEEP YOUR VEHICLES ON MAINTAINED ROADS. KEEP AWAY FROM DRY GRASS AND FIELDS. PROTECT YOUR FAMILY AND YOUR OUTDOORS. HELP PREVENT WILDFIRES.

THANK YOU FROM THE NATIONAL INTERAGENCY FIRE CENTER.
