

OPEN BURNING :30

CHECK YOUR CONDITIONS BEFORE BURNING! REMOVING TRASH AND DEBRIS BY BURNING IS A COMMON PRACTICE, BUT MAKE SURE YOU KNOW LOCAL LAWS! ONE SMALL MOMENT OF CARELESSNESS CAN CREATE A WILDFIRE DISASTER. PAY ATTENTION TO WEATHER CONDITIONS, AND FOLLOW RULES ON OPEN BURNING TO HELP STOP WILDFIRES. WHEN IT IS HOT AND DRY, SPECIAL CARE IS NEEDED IN THE OUTDOORS. PLEASE HELP PREVENT WILDFIRES. DISPOSE OF TRASH SAFELY. THANK YOU FROM THE NATIONAL INTERAGENCY FIRE CENTER.
