

1). In the summary & articles text editor on the administrative site select the **'Insert Image'** button (see below).

2). Select the photo you want from table (these are the photos uploaded in your images tab) or enter an external photo URL. You can place a photo anywhere in the text editor box. You can also add multiple photos. Size and resolution depends on the original size of the photo uploaded to the 'Images' tab.

Insert InciWeb or external image link

Enter an image URL or select an image from the table

Image This value is required.

Description

Insert

S	Thumbnail	Title	Release Date
C		Smokejumper	Tue May 12 2015
C		MAFFS on tarmac	Tue May 12 2015
C		MAFFS ▾	Tue May 12 2015

Insert InciWeb or external image link

1 - 3 of 3 items 5 | 10 | All << 1 >>

3). The photo added to the summary or articles tab will display on the InciWeb public page of your incident.

Incident Overview

This is a test of the new enhancements 5/12/15 that include adding a photo to the summary and articles section.
