Subject: Interagency Standards for Fire and Fire Aviation Operations

The Fire and Aviation Directors of the Bureau of Land Management, U.S. Forest Service, U.S. Fish and Wildlife Service, and National Park Service have directed the Interagency Standards for Fire and Fire Aviation Operations Group (ISOG) to annually revise, publish, and distribute the federal Interagency Standards for Fire and Fire Aviation Operations, and issue errata to this document.

The Interagency Standards for Fire and Fire Aviation Operations, states, references, or supplements policy and provides program direction for Bureau of Land Management, U.S. Forest Service, U.S. Fish and Wildlife Service, and National Park Service fire and fire aviation program management.

Employees engaged in fire suppression and fire management activities will comply with interagency and agency-specific health, safety, and fire management policy documents.

For the Bureau of Land Management, this document provides policy and guidance as referenced in BLM Manual Section (MS) 9200 Fire Program Management.

For the USDA Forest Service, this document provides guidance for implementing safe and effective fire and aviation management operations based on policy in Forest Service Manual 5100 and 3700.
For the U.S. Fish and Wildlife Service this document provides guidance for implementation of 621 FW 1.

For the National Park Service this document supplements Reference Manual 18.

This document addresses specific action items that are contained in the Guidance for Implementation of Federal Wildland Fire Management Policy (February 13, 2009).

The contents of this book are not to be modified. Supplemental agency-specific direction of a more restrictive nature may be issued separately.

Suggestions for modification of the publication should be sent to your agency representatives listed on this page.
