Operations Memorandum No. 727
Expires: Permanent

To: All National Interagency Fire Center Tenants

From: Jolie Pollet
Acting Deputy Assistant Director, Fire and Aviation

Subject: Use of Equipment and Machinery in Building 415-Maintenance (415-MNT)

This memorandum supersedes Operations Memorandum No. 490 dated 10/28/1993.

The purpose of this Operations Memorandum is to maintain a safe and efficient work place. Only qualified and authorized personnel may operate shop equipment and machinery in Building 415-MNT. All work performed in the shop by other than Campus Maintenance personnel must be approved by Campus Maintenance Supervisor.

See BLM Handbook H-1112-2, Safety and Health for Field Operations. Each employee is responsible for ensuring that safe work practices and procedures are followed.

Please direct questions or comments regarding this information to Campus Maintenance at (208) 387-5538.
