NMAC Correspondence #2018-04

April 11, 2018

To: Geographic Area Coordinating Group Chairs
From: National Multi-Agency Coordinating Group
Subject: Area Command Leadership 2018

Paul Summerfelt has been selected as an Area Commander for the National Area Command Teams. Tim Sexton and Joe Stutler continue as Area Commanders. We thank Rowdy Muir for his leadership and commitment as an Area Commander in 2017.

All nominations submitted this year were for highly qualified, well respected individuals. We believe the selected individuals will provide strong leadership in the most complex situations. We thank all those for submitting a nomination, as it provided a strong candidate pool from which to choose.

We encourage all qualified and available people to continue to participate in Area Command assignments. Your service is important to the growth and future of the program and the support it provides to the nation.

Area Commanders will select and finalize their individual teams for 2018. This should be accomplished within the next several weeks.

Please contact Susie Stingley, the National MAC Group Coordinator, at 208-387-5662 or [sstingley@fs.fed.us](mailto:ssingley@fs.fed.us) with any questions.
