

National Multi-Agency Coordinating Group

3833 South Development Avenue; Boise, ID 83705

NMAC Correspondence 2019-08

May 20, 2019

To: Geographic Area Coordinating Group Chairs
From: National Multi-Agency Coordinating Group (NMAC)
Subject: Area Command Leadership

Tim Sexton has been selected as an Area Commander for a National Area Command Team.

All nominations submitted this year were for highly qualified, well respected individuals. We believe the selected individual will provide strong leadership in the most complex situations. We thank all those for submitting a nomination, as it provided us a strong candidate pool from which to choose.

We encourage those not selected to continue to participate in Area Command assignments. Their service is important to the growth and future of the program.

Area Commanders will select and finalize their individual teams. This should be accomplished within the next several weeks.

Please contact Jarrod Simontacchi, the National MAC Group Coordinator, at 208-387-5662 or jarrod.simontacchi@usda.gov with any questions.

/s/ Dan Smith
NMAC Chair
