

Safety Bulletin

Date: June 20, 2013

Subject: 72 Hour Report: Big Meadows Medevac Incident

Issue: Confirmation of medical evacuation incident on Big Meadows Fire, Rocky Mountain National Park

Required Action: (none)

Recommended Action: Local units and Incident Management Teams are encouraged to review the daily operations protocols/procedures found in NWCG memo NWCG#25-2-10 located at <http://www.nwcg.gov/general/memos/nwcg-025-2010.html>.

Resources are also encouraged to review the First Aid information beginning on page 41 of the 2010 Incident Response Pocket Guide.

Discussion/Background: See the 72 Hour Report at http://wildfirelessons.net/documents/Big_Meadow_Medevac_72_Hour_Report.pdf
