

INCIDENT MANAGEMENT SITUATION REPORT
Friday, October 25,1996 - 0530 MDT
NATIONAL PREPAREDNESS LEVEL II

*** ALL FIREFIGHTERS HAVE THE RIGHT TO A SAFE ASSIGNMENT ***

CURRENT SITUATION: No new significant fire activity was reported in Southern California. The large fires in the Malibu and San Diego areas are nearing containment due to favorable weather conditions. The Sur Fire continues to threaten the community and recreational facilities in Big Sur. Resource mobilization through NICC remained minimal.

Southern California Large Fires:

SUR, Los Padres NF. A Type I Incident Management Team (Giachino) is assigned. Pfeiffer-Big Sur State Park and lodge were evacuated Thursday afternoon. Residents have been alerted for possible evacuations in the event of wind shifts. Structure protection remains in place within the community of Big Sur. Steep terrain with limited access are control problems. Some trails in the Ventana Wilderness have been closed and portions of Highway 1 may be closed due to poor visibility. Light to moderate rainfall was reported on lower portions of the fire last night.

CALABASAS, Los Angeles County, California. This fire is burning in grass and brush south of Highway 101 in the Calabasas and Malibu area. Line construction is nearing completion around the perimeter and unburned islands. Heavy demobilization of local government resources occurred yesterday.

Otay #322, San Diego Ranger Unit, California State. This fire is burning on California Desert District, BLM, and state and private lands. The fire is contained on the west end at the San Diego city limits. Portions of the fire burning into Mexico required no suppression action.

Eastern Great Basin Large Fires:

Two fires are in a confine or contain suppression strategy totaling 21,340 acres.

OUTLOOK:

** A HIGH WIND WATCH IS POSTED FOR THE MOUNTAINS OF SOUTHERN CALIFORNIA **
** AND SOUTHEAST ARIZONA WITH A WIND ADVISORY FOR THE REMAINDER OF ARIZONA **

A strong early winter storm will be over the Rocky Mountains today. This will bring strong winds to the desert southwest and a chance of showers over the mountains. Both Arizona and southern California will be partly cloudy with increasing winds. Winds will reach 25-50 MPH over the higher terrain by this afternoon. Highs will be in the mid 50's and 60's in the mountains, 70's along the coast and mid 70's to mid 80's in lower deserts.
