

INCIDENT MANAGEMENT SITUATION REPORT
MONDAY, JANUARY 2, 2006 1000 MST
NATIONAL PREPAREDNESS LEVEL 1

CURRENT SITUATION:

Initial attack activity was light nationally with eight new fires reported. Seven new large fires were reported, five in the Southern Area and two in the Southwest Area. Two large fires were contained in the Southwest Area. Very high to extreme fire indices were reported in Texas and Oklahoma.

SOUTHERN AREA INCIDENTS/LARGE FIRES:

NORTH CENTRAL TEXAS IA, Texas Forest Service. A Unified Command between a Type 1 Incident Management Team (Quesinberry) and a Type 2 Incident Commander (Hannemann), representing the state of Texas, is in place in Granbury, TX. The Unified Command will assist local resources in managing existing fires and initial attack within the established 220,000 square mile response area in Texas. Initial attack on 10 fires within the response area occurred yesterday. Figures in the table represent cumulative fire activity to date for the response area.

EAST TEXAS IA, Texas Forest Service. A Texas State Type 2 Incident Management Team (Rose) is assigned to assist local dispatch zones in managing existing fires and initial attack in east Texas. Eighteen fires burned 138 additional acres yesterday. Figures in the table represent cumulative fire activity to date for the response area.

ACHILLE, Oklahoma Division of Forestry. This fire is nine miles south of Durant, OK in grass. Six residences have been destroyed. High winds and low relative humidity in heavy fuels are causing spot fires.

LITTLE RIVER 2, Wewoka Agency, Bureau of Indian Affairs. This fire is seven miles west of Wewoka, OK in grass understory and timber. One outbuilding has been damaged and numerous residences remain threatened. Extreme rates of spread in light fuels are hampering control efforts.

SHERWOOD FOREST, Wewoka Agency, Bureau of Indian Affairs. This fire, previously named Sherwood, is five miles south of Wewoka, OK in grass and timber. Two outbuildings were destroyed. No further information was received.

DUCK HEAD, Buffalo National River, National Park Service. This fire is near Cozahome, AR in a designated wilderness area. A burn out operation is planned.

PINE SPRINGS, Oklahoma Division of Forestry. This fire is ten miles north of Centerpoint, OK in grass and understory. No new information was reported.

WILLIS, Chickasaw Agency, Bureau of Indian Affairs. This fire is 20 miles south of Madill, OK in timber and grass. High shifting winds hampered control efforts yesterday. The fire is currently in patrol status.

RUN #1 2006, Okmulgee Field Office, Bureau of Indian Affairs. This fire is two miles south of Holdenville, OK in grass and timber. High winds resulted in rapid rates of spread, hampering control efforts.

DIXON RANCH, Chickasaw Agency, Bureau of Indian Affairs. This fire is 10 miles southeast of Ada, OK in grass and timber. One residence and the Kullihoma Reservation Ceremonial Grounds remain threatened. High winds continue to exacerbate control efforts.
