

National Interagency Coordination Center
Incident Management Situation Report
Friday, October 27, 2006 - 0530 MDT
National Preparedness Level 1

National Fire Activity

Initial attack activity: Light (48 new fires)
 New large fires: 2 (*)
 Large fires contained: 2
 Uncontained large fires: 1
 Area Command Teams:
 Type 1 IMTs committed: 1
 Type 2 IMTs committed:

Fire Use Teams:

** Uncontained large fires do not include WFU or confine/contain incidents. **

On October 26th four USDA Forest Service firefighters were fatally injured on the Esperanza fire near Cabazon, CA. The firefighting community extends condolences to the family and friends of the deceased.

Southern California Area (PL 3)

New fires: 3
 New large fires: 1
 Large fires contained: 1
 Uncontained large fires: 1
 Type 1 IMTs committed: 1

Esperanza, Riverside Unit, CDF. CDF IMT 1 (Henson). Three miles south of Cabazon, CA. Grass, brush and timber. Extreme fire behavior. Structures threatened. Evacuations in effect.

Predictive Services Discussion

Santa Ana winds will continue today southern California today. Strong, gusty Santa Ana winds will continue today in southern California along with a little warmer temperatures and slightly lower humidity. Winds will diminish Saturday but warm, dry weather should continue through the weekend, especially in the mountains and inland valleys. Northern California will have gusty winds in the San Francisco Bay area today with warm, dry weather continuing over all of northern California through the weekend.
