Nationally, there are 58 fires being managed under a strategy other than full suppression.
**Uncontained large fires include only fires being managed under a full suppression strategy.

## Geographic Area daily reports

## Understanding the IMSR

The Federal Emergency Management Agency (FEMA) has activated Emergency Support Function 4 (ESF4) to assist with the wildfires burning in Hawaii.

Two incident management teams, five fire suppression crews, 10 engines and 17 overhead personnel are assigned to large fire support in Canada.

One MAFFS C-130 airtanker and support personnel from the $153^{\text {rd }}$ Airlift Wing (Wyoming Air National Guard) and one MAFFS unit from the $302^{\text {nd }}$ Airlift Wing (Colorado Air Force Reserve) have been deployed to Klamath Falls, OR to support wildland fire operations nationally.

Active Incident Resource Summary

Changes in some agency YTD acres reflect more accurate mapping or reporting adjustments.

## Predictive Services Discussion:

Hot, dry, and breezy conditions will continue to impact portions of Texas, Louisiana, and Oklahoma. Monsoonal moisture will remain over large portions of the Four Corners states and provide a mix of wet and dry thunderstorms. Remnants of Tropical Storm Eugene will continue to edge northward over California and portions of Nevada creating isolated mixed wet and dry thunderstorms, mainly in the Sierra. Warming and drying will continue across the Pacific Northwest and Northern Rockies with locally breezy and dry offshore winds along portions of the Oregon Cascades. Alaska will experience gusty east winds and drier conditions across the Interior, favoring the Tanana Valley, while some thunderstorms will be possible across western portions of the state. Thunderstorms will be active once again across the Atlantic Coast states and Ohio Valley.

National Predictive Services Outlook

## 6 Minutes for Safety:

The 6 Minutes for Safety topic of the day is First Airtanker Drop (California) - August 12, 1955.

[^0]:    * Boggy Creek, Texas A\&M Forest Service. Thirteen miles east of San Marcos, TX. Grass and brush. Moderate fire behavior. Residences threatened.
