POSITION INFORMATION

* The employee often stands on hard surfaces for extended periods of time and bends, stoops and works in tiring and sometimes uncomfortable positions. The employee is required to lift and carry items that weigh up to 40 pounds (8 kilograms) on a recurring basis.

By submitting this application I hereby certify that the above information is true. I understand that any misrepresentation may be grounds for immediate termination of employment. I understand that I must be at least 18 years of age to be hired. All applicants must be aware that they will be subjected to a fingerprint check and/or background investigation. Individuals must obtain and maintain a favorable adjudication. Individuals who fail to obtain and maintain a favorable adjudication will not be considered for employment or terminated.

Privacy Act Notice: This application you are submitting for employment with the Bureau of Land Management contains information subject to the Privacy Act of 1974. 43 U.S.C. 1469 authorizes collection of this information. We need the information you put on this application to determine your qualifications and availability for employment at the Great Basin Area Incident Support Cache, and to contact you if selected. Information collected on this application will be shared only with cache personnel responsible for hiring. While your response is entirely voluntary, failure to provide all the requested information could lead to rejection of your application.
