

## **WILDLAND-URBAN INTERFACE :30**

PROTECT YOUR HOME! WILDFIRES CAN BE DEADLY, ESPECIALLY WHERE HOMES ARE CLOSE TO GRASS AND FOREST LANDS. HELP PROTECT YOUR FAMILY AND HOME BY CLEARING DEFENSIBLE AREAS AROUND BUILDINGS. REMOVE BURNABLE MATERIALS SUCH AS DEAD GRASS OR LEAVES. PRUNE YOUR TREES. MOVE FIREWOOD AND OTHER MATERIALS AWAY FROM YOUR HOME. MAKE SURE STREET AND ROAD SIGNS ARE EASY TO SEE IF FIREFIGHTERS HAVE TO FIND YOUR HOME. TAKE CARE OF YOUR HOME AND FAMILY AND HELP PREVENT WILDFIRE!

THANK YOU FROM THE NATIONAL INTERAGENCY FIRE CENTER
