What is the FEHB Program?

The Federal Employees Health Benefits Program (FEHB) provides comprehensive health insurance. Casual employees can choose from fee-for-service (FFS) plans, health maintenance organizations (HMOs), consumer-driven health plans (CDHPs) or high deductible health plans (HDHPs). For more information on the types of plans under FEHB, reference www.opm.gov/insure/health/planinfo/types.asp.

What are some important things I should know?

- There is no waiting period or pre-existing condition limitations.
- Each plan contracts with doctors, providers, and hospitals (known as a provider network). Your doctor may participate in one or more provider networks.
- You will reduce your out-of-pocket costs by visiting providers and hospitals that contract with your plan. Visit your plan's website to determine which providers participate in the plan's network.

How do I enroll?

Once you have qualified for benefits by having worked 130-hours per month for 90 consecutive days, the CPC will contact the casual directly by email and mail, with a letter notifying them of eligibility and coverage options.

For health care benefits (FEHB) you must complete the Health Benefits Election Form (SF-2809) and submit to the Casual Payment Center for processing.

For dental/vision you will initiate enrollment through the BENEFEDS portal <https://www.benefeds.com/>. Contact the Casual Payment Center (CPC) for details. You will have 60-days from the date of eligibility to enroll.

Do I have to decide right away?

If you elected to receive coverage by indicating **"I elect..."** on the FEHB Conditional Offer form during sign-up each calendar year, and become eligible, the CPC will contact you and provide the Health Benefits Election Form (SF-2809) for FEHB and direct you to BENEFEDS portal website for Dental/Vision benefits to enroll. You will become eligible once you have worked 130-hours per month for 90 consecutive days. If you, the employee, fail to return the SF-2809 for FEHB or enroll for FEDVIP through the portal within 60 days of eligibility, the choice will be recorded as a declination of enrollment.

How long do I have Health Benefits?

For FEHB, initially you will have coverage for 28-days (2 casual pay periods) beginning on the first day of the following pay period after the CPC receives a completed Health Benefits Election Form (SF-2809). If you are still working or have been ordered to a new assignment, you will be responsible for contacting the CPC **before** day 28 to continue health benefits. If you have not contacted the CPC before day 28, your coverage will switch over to your free 31-day extension of coverage. After the 31-day extension of coverage your health benefits will end. If you work at any time after your health benefits have terminated within the calendar year, you can reenroll by submitting a new Health Benefits Election Form (SF-2809) to the CPC.

For FEDVIP benefits, if you continue to work monthly your benefits will continue until a.) you the employee directly contacts BENEFEDS and cancels coverage, or b.) you the employee has not worked/been paid in over 30-days then coverage will be terminated by BENEFEDS after no time and attendance (T&A) payment confirmation has been verified with CPC. There is no free 31-day extension of coverage under FEDVIP.

How much do I pay for benefits?

FEHB

What you pay is based on the plan and option you choose. Premiums are shared by you and your federal agency during your time of hire. Premiums vary by plan, but generally you pay approximately 30% and your agency pays approximately 70%.

Casuals can discuss health insurance premiums with the Casual Payment Center or find more information at the following website: **FEHB:** www.opm.gov/insure/health/planinfo/types.asp

FEDVIP

Premiums will be based on the policy selected on BENEFEDS website, www.benefeds.com. Currently direct billing to you, the employee will occur.

In cases of insufficient pay or leave without pay for FEDVIP benefits, after two consecutive attempts to obtain premium deductions, BENEFEDS bills the enrollee directly. However, direct premium payments made to BENEFEDS are post-tax and employees lose the benefit of pretax.
